COMMENTS

Regardless what Red Walker may deem as to the status of #1967-AX,I will still continue to youse the designation that Charles Wells gave the game. All the players involved knew that this is not a regular game in the true sence of the word,but have continued to play anyway-IF the Bureau Chief continues in his quest of eliminating games and their phony designations-regardless how the dam game is played,wheather thru the mail,local or by Telephone it is a game of Diplomacy,and as long as the game started with seven players,I will continue to rate them as such,and if the bureau chief continues in his felly then ADAG and its family mags will withdraw from the NFFF.

PARIS The Russian Invasion of Burgandy Leaves the Government with little choice but to declare war upon the Tsarist regime. In spite of the ill-advised adventure, the People of France dedicate themselves to the goal of eliminating Russian influence in Western and Central Europe. To better advance this goal, representatives of the French people signed a treaty of nonaggression and mutual assistance with the Ottoman Empire. OF COURSE, the dispute with England will continue.

WALES (Headquarters of Marshall Fish, Commander French Marine Expedition England): Marshall Fish announced that the First Army, in conjunction with the Navy, launched a major attack upon the fortified positions surrounding the City of London. Reports indicate that the first objective of the Attack will be the infamous Peery's Hill where it is rumored that the English have deployed the Terror weapon "Peery's Pen".

LIVERPOOL Vice Admiral Grouchy's forces have taken the City of Liverpool. The English Government declared the city to be open French territory. Elements of the 3rd Brigade of Marines supported by the National Guard Garrison occupying Government buildings. Only after a savage battle in which the 3rd Brigade of Marines was annihilated was the city taken. French losses are reported to be light, mainly due to the excellent support the battle fleet gave the land forces.

ANTALYS-Allah be praised! A Saviour for the Ottoman Empire has appeared. The great Irish-German-Chinese expatriet Akbar O'Reilly and the great Agha Cingii have began the revitalization of the old State. As the rotten rotten limes and decaying pizza drifts to us across the sea, we witnessed the laying down of the new government. They found an ungarbored Hierarchy Down with the Russian, Italians, German, Americans, Saddy Regans and Asper. The English (Really Brian Irish, which side the Spanish).

BERLIN-The Kaiser's beautiful wife Hilda, was said to have puniced, when the Kaiser mentioned Feriegners for guests. The Kaiser's wife was heard to say, "I just knew we don't have that many meat-balls in the palace!"

TYROLIA:-The 3rd Army, supposedly the troops to receive the Kaiser's for the real estate deal, reportedly received a message in answer confirmation of the reported sale which read:-Pizza man! He delivers.

THE VATICAN-. ROME (LORD)-And yea, those many times did the dark Prince of the steppes call upon his strange and leath some Ghed who is Hausty the evil. And he spoke unto his Ghed "Smite ye that city of an enemies which is Rome. Strike it with plagues and thunders and lightnings and return it to dust." Yet the evil Hausty would not. For well did he know that the Ghed Rome was in the deminion of he who is justly called Hook of the Lord (the Andrew thrice blest) who Did find favor in the eye of the great Ghed. And yet he did swear that the forces of greater darkness should multiply and cover the Earth. And yet did he swear that the white gate should fall to treachery and lies. And lo, it came to pass.

If the Foreign illiterate, ruminating in that pestilential palace of leaky domes known as the Kremlin wishes to know the translation of France's brilliant satire of last year, the Govt. of France suggests he do one of two things either: 1) learn to read, or 2) learn how to write & contact Hans & Enquire about His Typing(Almost as worst as Margerets Writing); we also note that Russia has persuaded the govt. of Turkey to again participate in his shaky & Corrupt alliance. However it is doubtful that it will last long, as it is well known that both Countries especially Turkey are fickle & very, very, ineffective. Phillips how long can you count on Turkey sending in his/her moves? One, two turns?. Don't count on it. Also your last two letters were interesting(Shame reading your Sisters mail). BUCKINGHAM PALACE, London (QEN)-In a short passage from his weekly report on the state of the Crown, HRH noted that a small detachment of the constabulary had been rerouted North in order to take care of the small crime wave that is currently occurring in the city and environs of Edinburgh. It appears that on the 8th of August a large ship(A garbage scow apparently-if one can guess from its smell and generally slovenly appearance)decked at Abercrombie and disgorged a large group of straggly dressed men along with the troop of dancing bears. This motley crew apparently made its way overland to Edinburgh where it had been making a general nuisance of itself to the Citizenry. HRH stated",They appear to be a strong-bodied bunch on the whole, though not particularly intelligent or cultured. We are thinking of drafting them in to the Home Guard."HRH was of course, referring to the terpsicorean bears. The Men who accompanied them are a sallow-faced shifty eyed lot who, not content to beg in the streets, have taken to mugging old ladies.

AND NOW BACK TO THE WAR OF THE MOUTH

LONDON(GLASP):--In an exclusive filed by the London Daily Star's leading correspondent in Copenhagen it was reported yesterday that the Commander of the German Expeditionary forces in Denmark has been afflicted by a severe and has suffered complete paralysis of his entire writing arm. The Action of the GEF has been releably attributed to this malady. Unfortunately for the Blatt's fearless correspondent the paralysis did not extend to Richard "Tricky Dick" writer's left hand,as that was reportedly the instrument used to deport the correspondent as an undesirable alien,he was deported through a twentieth story window of the Laborstrom Tower.

NEW CASTLE(LAN):--Reiter,my patience with your lack of communication has just about reached the limit.Depending on what happens this term,that limit may be passed and Past.

Germany can build in Kiel only, Turkey will have two builds and England one. So if the players are interested in speeding this game up a little, they may submit conditional Spring moves, that is is they are so inclined.

NOTE-Due to spilling some of the duplicator fluid on the first master for this page, I am unable to print the press releases that were submitted since the fluid turned the original into a nice mess of solid purple and I have already destroyed the moves and press releases.

Also note that Spehan Ball (That is Stephan) is now playing Austria in place of Keathley.

LONDON-The Presence of Iberian Naval Forces in the North Atlantic has created a crises in heretofore peaceful Commonwealth-Iberian relations. Lord Williams ordered the activation of the Naval reserves and the preperation for sea duty of the 6th Battle Squadron. It is expected that the additional forces will be used to defend against any possible Iberian adventure into home-waters.

LENIGRAD-The perfidious nation of FENNIO-SCANDIA is warned that the allies of the Soviet Union will soon disgorge massive troops on F'S soil unless the unwarranted assault on the Soviet Union is halted.

CONSTANTINOPLE-FEDERAL POLICE ENFORCEMENT HEADQUARTERS (January 24)

Hegemony Peace Enforcement troops were ordered today into the Russian province of Astrakhan in order to facilitate the honorable maintenance of the Black Sea Pax. When questioned by newsmen as to how long the troops would be stationed on Russian soil. Lt. Colonel Amos Hassen, Commander in charge of the peace keeping mission replied, "I am really not sure." The Governments Diplomatic sources have assured the Premier that the conditions of the Pax will be lived up to by the Russian Government. There have also been reports of Russian troop movements out of the disputed Donestk area and away from the Russian-Turkish border. If this is the case, and I certainly hope it is, then the boys will be home by Fall. Maybe even Spring."
